

# ABOUT FIVESTAR TOOLS CO., LTD

A brand of Fivestar Tools.

**Fivestar Tools Co., Ltd** Specializing in manufacture electrician tools for crimping, cutting and stripping, such as crimping tools, wire stripper, cable cutter, hydraulic crimping tools, hydraulic pipe benders, hydraulic gear puller, hydraulic cylinders, hydraulic busbar processing tools, hydraulic pumps, network tools, cable tie tools, wire stripping machine and hose crimping machines. In China for over 15 years tools manufacture experience with CE authorization.

We own modern production lines and high-tech quality controlling system. With scientific administration, professional engineer, highly trained technicians and skilled workers, most of our products are enjoying exporting well to over the world or Middle East, South-America, North-America, Africa, Europe, Asia, etc., and we also get the satisfactory and good reputation from our clients at home and abroad.

**Fivestar Tools** sincerely welcome the new and old customers at home and abroad to cooperate with us, we can help you gain more and more profit in the competitive world market, and once you establish the business relationship with us, you will know that we are the best one and we are your best partner. More products are under way of improvement. If the electrical product you want is not here, please contact me directly or visit our company's website for more.

## Most popular Solar System Tools for

### CRIMPING/STRIPPING/CUTTING

#### A-2546 Solar Crimping Tools for 2.5~6.0mm<sup>2</sup> MC3/MC4 solar PV connectors

Solar Crimping Tool is High-precision ratchet mechanism for complete crimps; 1.2 metric tons pressure at crimping face, with minimal hand effort; Interchangeable high-precision crimping die set;

#### LA-2546 Solar Cable Stripper for 0.14~6.0mm<sup>2</sup> solar cables

Solar Wire Stripper is particularly well-suited for stripping difficult insulating material cables, with length stop for constant stripping length during repetitive work and with 4 interchangeable blades. The blade made of special tool steel and oil-hardened treatment.

#### WX-206 Solar Cable Cutter for cutting Max 10mm<sup>2</sup> solar cables

Solar Cable Cutter blade made of SUS 420J2 stainless steel with heat treatment with HRC 50-54, used for Soft cable/Wood sticks/Dowel rods/Animal Nail/Rope/Cord and many other materials

## Detailed Product Description

### CRIMPING

A-2546 Solar Crimping Tools for 2.5~6.0mm<sup>2</sup> MC3/MC4 solar PV connectors

A2546 Solar Crimping Tool Kits(MC3/MC4 Crimper Sets) for MC3/MC4 PV cables with Stripping and Cutting function.

**A-2546 Series Solar Crimping Tools** is an industrial quality Multi-Contact Tool for Crimping MC3/MC4 Male and Female Solar Contacts. To to crimp 26-10AWG pins(2.5-6.0mm<sup>2</sup>).

#### Feature:

Fivestar Solar Crimping Tool is High-precision ratchet mechanism for complete crimps; 1.2 metric tons pressure at crimping face, with minimal hand effort; Interchangeable high-precision crimping die set; Top German quality.

#### Tools Parameters:

Capacity:2.5-6mm<sup>2</sup>  
AWG:26-10AWG  
Length:270mm  
Weight:0.74Kg

LA-700A Automatic Wire Stripper used for stripping 1.5/2.5/4/6mm<sup>2</sup> solar panel pv cables.

Model	Stripping Range	Length	Weight
A-2546B	2.5/4/6mm <sup>2</sup> MC4	270mm	0.74kg
A-2546-4	2.5/4/6mm <sup>2</sup> MC3	270mm	0.74kg

### MC4 Solar Connector Spanners/Solar Wrench

#### Description

This spanner is suitable for assembling and disassembling of MC4 or PV-SN02 male/female plug. It is small and easy to use. Double - quick screw down. very light and very strong and smooth. Saved time and manpower for installation.

#### Packaging Details

Unit Type: lot ( 10 pieces/lot)  
Package Weight: 1.5kg (3.31lb.)  
Package Size: 25cm x 20cm x 12cm (9.84in x 7.87in x 4.72in)

### STRIPPING

LA-2546 Solar Cable Stripper for 0.14~6.0mm<sup>2</sup> solar cables

#### Solar cable stripper 0.14-6mm<sup>2</sup>

Cable stripper for solar cable, section 4/6/10 mm<sup>2</sup>.

This tool is particularly well-suited for stripping difficult insulating material (Solar cable, Teflon®)

- Easy stripping of difficult insulating material such as Teflon®, silicon, Radox®, Kapton®, and rubber as well as multi-layer insulation.
- Leaves wire undamaged thanks to precision-ground blade shapes; even multi-stranded conductors are stripped gently
- With length stop for constant stripping length during repetitive work
- 4 interchangeable blades
- Compact design, lightweight construction (aluminum body)
- Blade : special tool steel, oil-hardened
- A high quality tool made in Germany.

Model	Stripping Range	Length	Weight
La-2546	2.5/4/6mm <sup>2</sup>	195mm	0.43kg

### CUTTING

WX-206 Solar Cable Cutter for cutting Max 10mm<sup>2</sup> solar cables

**WX-206 Solar Cable Cutter** for cutting 10mm(3/8inch) max cables, with stainless steel blade and TPR handles.

- Blade made of SUS 420J2 stainless steel with heat treatment, HRC 50-54.
- Bolt made of SUS 302 stainless steel cold forged.
- Lock nut made of SUS 302 stainless steel.
- Washer made of SUS 420J2 stainless steel with heat treatment.
- PP and TPR overmolded, for left and right-handed users.
- Spring loaded to reduce fatigue, easy to use safety lock, Extended tang for durability, light weight.

#### Application:

For shearing up to diameter 10mm  
Soft cable/Wood sticks/Dowel rods/Animal Nail/Rope/Cord and many other materials.

**Length:** 165mm  
Cutting Capacity: Diameter 10mm (3/8" ).

Model	Cutting Range	Length	Weight
WX-206A	≤10mm <sup>2</sup>	160mm	0.25kg
